# A FORM OF PRAYER

To be Used

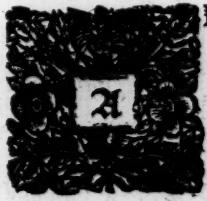
Next after the Prayer *in the time of War and Tumults*, in all Churches and Chappels throughout the Kingdom of *England*, Dominion of *Wales*, and Town of *Berwick* upon *Tweed*.



Almighty and most glorious Lord God, the great Creatour and Governour of all things, who, when thou didst divide the Nations, and determine the Bounds of their Habitation, wast pleased of thy especial Goodness to the Inhabitants of this Land, to encompass it with the Sea, as a Wall of Defence on every side; so that we are not, like the Nations a-

bout us, exposed to continual Invasion, and especially at this time to the Ravage and Fury of the common Enemy and Oppressor: We humbly beseech thee to bless and prosper their Majesties Fleets, now at Sea, and to make the Winds favourable to them in their present Expedition. We do not trust in our Naval Force, neither will our Ships save us: Vain are all these helps without thee, O God our Defence, and the Rock of our Salvation. Be thou graciously pleased to go forth with our Fleets, and to Strengthen the Hearts and Hands of them who Fight for us, that through thee they may do Valiantly, and Subdue those that rise up against them: And that we being delivered from the hand of our Enemies, may serve thee without fear, in holiness and righteousness before thee all the days of our lives, through Jesus Christ our Lord. Amen.
